

Key to Lawrence University Transfer Guide for University of Wisconsin Colleges

‘See Notes’ To determine the transfer status of some UW College courses a syllabus is required. For the most part these are topic, seminar, or variable credit courses where the content will vary by offering. Please see the ‘Notes’ column for complete information.

Credit v. Units Lawrence University operates on a three-term calendar and awards course credit in units, not semester hours. A three-semester-hour course will transfer as 5 Lawrence units and will be allowed to fulfill a general education requirement where appropriate.

‘LU Gen Ed’ General education requirements at Lawrence fall into several categories. Please refer to the current course catalog for detailed information.

Distribution Requirements
